Subject: Ltr & Supplemental Comments on PSCR, Data Gap Memorandum and other analyses and reports

Gary,

Attached are the PHA's Supplemental Comments on PSCR, Data Gap Memorandum, and other analyses and reports submitted in San Jacinto River Waste Pits Superfund Site Project. A hard copy is also being sent by certified mail today. We would greatly appreciate the appropriate person(s) at EPA responding to these supplemental comments in writing so that we may better understand EPA's review process. Thank you for your consideration.
